Truck Backs into Auto At Railroad Crossing

A truck and an auto that were going east on 20th street and were halted for lowered railroad gates were involved in an accident Friday evening as the truck backed into the car after a false start.

Police said the trucker, Larry Smith of Sharon, Tenn., started forward as the gates went up, and then he noticed the gates were going down and put his vehicle into reverse. It struck the auto of James Myrick, Rural Route One.

The council granted the request for the 9-day leave in a special council meeting April 20 to become effective May 1. Essington returned to the police post after a day on the new job.

"Too much paper work," Essington commented.

John Essington Back On Venice Police Job

John Essington, assistant chief of police at Venice, returned to his post last week and said he had cancelled a 9-day leave of absence granted him by the city council to permit him to try out a new job.

Essington, a member of the Venice police force for 10 years, sought the three-month leave to accept an appointment as an agent of the Illinois Board of Pardons and Paroles and to give the job a trial before definitely giving up his association with the police department.

The council granted the request for the 9-day leave in a special council meeting April 20 to become effective May 1. Essington returned to the police post after a day on the new job.

"Too much paper work," Essington commented.

John G. Parker, 5039 Lake drive, was issued an arrest ticket Friday night at 22nd street and Madison avenue on a charge of careless driving.

SHRINERS' CRIPPLED CHILDREN'S HOSPITAL gets assistance—a check for \$1275—from the Dow Chemical Co. Employees Welfare board in a ceremony at the plant last week. Front row, left to right—Samuel Kraus, Moolah Shrine chairman; William E. Price of Steelworkers Local 4804; Eugene Burnett, a Shriner and a supervisor at Dow; and A. J. Auman, president of the Moolah Chanters. Back row—Earl Applegate, assistant comptroller; Walter Kruegenal, purchasing agent; James Stack and Richard Roberts, both of Local 4804.

Special Meeting Of GC Council Tomorrow Night

Granite City council members, who have a night of tonight, will meet in special session tomorrow night at 8 o'clock to confer with Robert Kronst, district highway engineer from French Village on Federal Aid Route 151.

The special meeting was arranged by Mayor Farnley to discuss problems arising from the state's designated right-of-way through the city Route 151—the Great River Road.

State legislators of the area have been invited to the meeting to aid the city in its bid to obtain additional access roadways in West Granite to provide a connecting link between West 20th and Cayuga streets and for the Great River Road to be fenced as a safety factor.

In the call for the special meeting, the mayor also listed a report from the consulting engineer on cost for relocation of a sanitary sewer system lift station that is presently on the right-of-way for the Maryville road improvement.

Appointment of a mayor for the city hall is to be presented by Mayor Farnley for council confirmation. Mrs. Irene Elledge, who was appointed last week, is unable to take the job. Mayor Farnley said. The former mayor, Mrs. Mata Meyer, retired May 1.

'Vista' to Recruit Workers To Aid Poor in the Nation

Representatives of Volunteers in Service To America (VISTA) will be on the Southwest Campus of Southern Illinois University Tuesday to recruit volunteers to serve one year or more working among the nation's poor.

VISTA is seeking volunteers from all walks of life and from all age groups to serve wherever their particular skills are needed in cities, small towns, rural areas, on Indian reservations, in migrant workers' camps, in all living allowance which covers housing, food, clothing and transportation. In addition they get \$75 per month for personal incidentals, and \$50 is set aside each so far as possible, however, VISTA makes every effort to assign volunteers to areas they request.

VISTA workers receive a training period of six weeks with emphasis on actual experience in the field. The training is under expert supervision and is included in the volunteer's year of service. Although most of the workers are men, women are also accepted.

Persons interested in receiving details on employment with VISTA may apply to Room 0651 in the basement of the SIU-SW Campus Lovejoy Library between 10 a.m. and 3 p.m. on May 10.

3 GC Youths Nabbed By California Patrol

Three Granite City youths, one 16 and two 17 years old, are charged in Castle Rock, Colo., with auto theft, burglary of a garage and grand larceny there. They were apprehended by the California highway patrol in two new 1966 sports cars stolen from Castle Rock and are to be returned there soon to face the charges.

Douglas county Sheriff John Hammond declined to disclose the names of the youths until he has the trio in custody. He said the juvenile laws in Colorado prevent the release of names of offenders under the age of 18, stopped at 16th street and Grand avenue about 1:30 a.m. Saturday. Police said he was driving south in the northbound 1966 and 1960 models of Grand avenue.

J. H. Gardner Retires; 26 Years With State

James H. Gardner, 2873 Ralph street, has retired from his state job with 26 years credit in the Illinois State Employees' Retirement service.

Gardner was employed by the department of labor, division of unemployment compensation. He was among 39 persons retiring recently from state service.

Faces 2 Charges of Speeding

Charles Greening and driving in the wrong direction on a one-way street were placed against Larry Misukonis, 2009 Washington avenue, who was stopped at 16th street and Grand avenue about 1:30 a.m. Saturday. Police said he was driving south in the northbound 1966 and 1960 models of Grand avenue.

Venice Expenses For 65-66 Year Total \$420,049

The city of Venice spent a total of \$420,049 in municipal operation expenses during its 1965-66 fiscal year ended April 30, according to a report by Bernard Anderson, city treasurer. The city had income of \$470,635 during the year, including a \$30,283 balance from the previous year, leaving a May 1 balance of \$50,585 after all expenses were paid.

Venice revenues for the year, however, included \$105,000 worth of fund transfers from the working cash fund and the city's \$420,000 reserve fund for the Broadway underpass. These constitute obsolescence that must be repaid, either from tax income or the 1966 city income from operation of McKinley bridge.

Other income included \$282,029 in 1964 taxes, \$12,022 in taxes on which objections were settled and \$608 as the city's share of the Venice township road and bridge tax. Income from sale of licenses, plus fines collected for license violations amounted \$14,911. The city received \$11,531 in sales tax allotments from the state, and \$6900 in motor fuel tax reimbursements.

The city started its fiscal year May 1, 1965, with a balance of \$30,283 in these items, along with the \$105,000 in transfers, accounted for the \$470,635 total revenue. The city's expenditures during the year were for operation of the police department, \$105,673; and disbursements for street and alley purposes, \$23,310. Third largest item was \$33,739 paid to city officials. Garbage collection cost \$22,463 and operation of the fire department ran \$27,424.

Other expenses during the 1965-66 year included city hall operation, \$6238; legal department, \$3435; sanitary and health, \$6598; light, \$7418; water, \$5705; insurance, \$13,727; printing, \$325; publications, \$625; elections, \$225; sewer repair, \$1813; auditing, \$630; contingencies, \$5885; civil defense, \$600; working cash fund, \$40,000; maintenance of arterial streets, \$3681; fire insurance, \$467. These items were paid from the general fund.

Expenditures from the city's special funds included \$18,803 paid out of the library fund, \$27,657 out of the police pension fund, \$16,472 out of the working cash fund and \$11,119 out of the Illinois Municipal Retirement fund.

Ruse by Con Man on Bank Book Fails Again

A fourth attempt by a confidence man, posing as a bank official, to obtain money from area residents was reported last week to police. Chief of Detectives George Teller said Friday.

A woman who received a phone call said she was told there was a discrepancy in her bank account and bank book and asked her to report to the bank. The caller did not name a particular bank, she added that her bank does not issue bank books on savings accounts. Teller believed the attempt was made before another woman was bilked of \$2800 about two weeks ago. Two other attempts were reported later. Teller said an investigation is continuing.

Students Preparing 60 Hospital Employees to Get Service Pins For 'Acres of Art'

Hundreds of art exhibits created by Granite City elementary, junior high and senior high school students will be displayed from 8 to 10 p.m. next Monday at the GCHS Memorial Gymnasium.

The public is invited to view the show without charge. However, donations may be contributed toward an art scholarship for a local student to continue his education.

The event is the fourth annual "Acres of Art" exhibition sponsored by the Granite City PTA Area Council and the local school system's art instructors. Nearly 100 visitors inspected the show last year, according to Eugene Olmsted, art director for the schools.

Vasil Geroff, PTA council chairman for character, spiritual education and cultural arts, heads the committee arranging the displays, which are being supervised and coordinated by Eugene Olmsted, GCHS art director.

Assisting the co-chairmen will be high school art teachers, Miss Wanda Wanda, Miss Katherine Kratz and James Oliver; Prather junior high instructors, Katherine Kraly and Virginia Bouzard; Central JHS art teacher, Ronald Ward, and Robert Moske, Coolidge JHS instructor.

Sixty employees of St. Elizabeth's Hospital will be honored Friday in a service awards ceremony being held during this week's National Hospital Week observance, it was announced by Sister Mary Thomas, administrator.

The awards program will be held at 1:30 p.m. on the Nidringhaus avenue lawn of the hospital. The presentations will be by Mrs. Irene Argelan, president of the Hospital Auxiliary.

The week's activities, which started yesterday, also include a career day program today for 25 senior honor students of local high schools who are interested in careers in the medical field; a clergy tea this afternoon; recognition for the 25th anniversary of the Hospital Auxiliary tomorrow with a talk by Mrs. Stanley M. Cohen of the Jewish Hospital Auxiliary.

A tea for the Nurses Alumnae is to be held at 7:30 p.m. Wednesday in the cafeteria.

Medical staff members and wives are to be entertained with a smorgasbord in the hospital cafeteria on Thursday.

20-Year Employees
The 60 employees to be honored at 2 p.m. Friday include two who will receive 20-year pins — Miss Emma Katharine Keller, an office worker, and Mrs. Anna M. Sternberg, who is in the dietary department.

Mrs. Emily B. Hand, a 15-year pin, and Mrs. Margaret L. Harris, Miss Jacqueline A. Haug, Mrs. Jane Johnson, Mrs. Marie P. King, Mrs. Anna M. Klariol, Mrs. Thelma L. Koglin, Mrs. Lareen V. Kueker, Mrs. Dorothy M. Lewis, Albert L. Hand of the laundry Mrs. Dorothy M. Lewis, Albert L. Hand of the laundry Mrs. Dorothy M. Lewis, Albert L. Hand of the laundry.

Mrs. Jean M. Miller, Mrs. Dora D. Miller, Miss Glenda R. 10-year pins are Miss Lizzie Moore, Mrs. Joyce M. Pirle, Brown, Mrs. Gertrude B. Bundy, Mrs. Nellie I. Poyner, Mrs. Marie Cook, Mrs. Mildred Celestia K. Poyner, Mrs. Ruby P. Dugan, Miss Mary Gerkin, Mrs. Anna Hill, Mrs. Dorothy L. Rhoads, Mrs. Hazel G. Rippey, Mrs. I. Albert Rongey, Mrs. Dorothy M. Raze Old Sheds, Inspector Urges

Orville Delcourt, city building inspector, is conducting a campaign to rid the city of dilapidated sheds.

He said there are 300 to 400 such sheds, and "if we can get rid of the sheds we'll get rid of the rats."

Delcourt added that there is no fee connected to a razing permit if the cost of the work is limited to \$50.

Crop Adjustment Signup Ends Friday

Walter F. Bardsley, chairman of the Madison County Agricultural Stabilization and Conservation Committee, said the new cropland adjustment program will close Friday, May 13.

The program is designed to fill a need not quite met by the annual acreage allotment and also expected to provide more hunting, fishing, and other opportunities for outdoor recreation.

The cropland adjustment program is especially attractive to farmers who want to shift from production of surplus crops to other activities, to retire gradually from farming while continuing to live on the farm or to take advantage of other local employment opportunities to work off the farm.

Farmers participating in the cropland adjustment program will receive adjustment payments related to the value of the crop normally produced on the land, and conservation cost-share payments on the land diverted.

Farmers who are interested in diverting acreage under a long-term rather than an annual adjustment are urged not to delay filing a cropland adjustment program application.

Jaycees Seek Booth Sponsors For June 17-19 Homecoming

Quad-City organizations are being asked this week to participate in the fourth annual "Homecoming Celebration" to be given by Granite City Jaycees on June 17, 18 and 19 on the parking area at Namsok Village shopping center. James Jeffries is general chairman.

Jeffries said today that letters have been mailed to social, civic and service groups in the four communities inviting them to sponsor novelty booths or concession stands at the three-day event.

Clubs interested in obtaining space should apply immediately, the chairman said. He explained that space may be at a premium at a later date, and location and type of booths will be allocated on a first come, first served basis.

Committee chairmen appointed by James Burton, Jaycee president, are: Arno Spenceman and Fred Rahagen, concessions; George Vesel and Victor Wetherholt, beverages; William Herbst and Raymond Lake, beer poker; Floyd Peterson, parade marshal; Michael Day, entertainment; Earl Dotzauer, publicity; John Lakin and George Grimm, grounds; Donald Cave and Earl Wernholt, finance.

Among this year's homecoming attractions, Jeffries said, will be a large parade Saturday, June 18, composed of local and out-of-town groups; a carnival midway with the newest types of rides and equipment for adults and children and continuous on-the-grounds entertainment, including variety acts and musical ensembles.

Organizations interested in sponsoring booths are being asked to contact Spenceman, at TR 6-7215, or Rahagen, TR 7-2472.

GC Kiwanis Observe 20th Anniversary Today

Granite City Kiwanians will observe the 20th anniversary of the founding of their club at a 6:30 "ladies night" barbeque to night at the Rose Bowl. Guest speakers will be Dr. Walter C. Eberhard, St. Louis University physical fitness director.

Past presidents and charter members of the local men's service organization are to be honored, and guests will view colored slides taken during earlier club activities. A large decorated birthday cake will be the focal point in the table decorations.

Those in charge of the celebration include Marvin Barnes, Robert Lombardi, Club President Peter Jelen, Mrs. George Wagoner, Mrs. Melvin T. Gillie and Mrs. Lombardi.

Meeting Date Changed

The meeting of the Nidringhaus school PTA will be held tomorrow, May 10, instead of May 24, as formerly announced.

C. of C. Membership Drive to Be Wednesday

The annual one-day membership drive by the Tri-Cities Chamber of Commerce will be held Wednesday under the supervision of Leo Konzen, local lawyer.

Ten six-member teams will take part, and will meet for breakfast at 8 a.m. Wednesday at the Rose Bowl. Final reports will be received between 5 and 6 p.m. the same day at the Rose Bowl. The winning team is to be treated to a steak dinner and a Cardinal Baseball game. Second place team members will be treated to the ball game.

Individual top winners are to receive gift certificates.

Captains of the 10 teams are Arthur Koepfer, Irvin Slate, William Thoeke, Walter Kazyche, Barry Loman, Floyd Mitchell, George Reeves, A. E. Michel, C. E. Blankenship and Edw. Applegate.

Guild Views Bible Exhibit

The highlight of the May meeting of the Afternoon Guild of St. Peter United Church of Christ Thursday afternoon was a Bible exhibit.

Mrs. Ruth Kaburek was in charge and the Bibles in English, German and Greek, were displayed on a table covered with a purple and white cloth holding an arrangement of purple lilacs, violets, and lilies of the valley, flanked with two religious paintings surrounded with various symbols from the Bible which were explained by Mrs. Ralph Monken.

Later four discussion groups were formed, led by Mrs. Elmer Hurry, Mrs. John Harsh, Mrs. Arthur Buente and Mrs. Kaburek.

Mrs. Fred Pett, stewardship chairman, reported on the finals in a recent southern Illinois conference in which two boys from St. Peter's Church were winners. Daniel Monken, an eighth grader, was first place winner with a poster and Debbie Miller, received a second place award for a play she submitted.

Thirty-five members were present at the meeting at which a dessert course was served. The final meeting before the summer recess will be held June 2 with Mrs. Arnold Arbogast the devotional leader.

Mother-Daughter Banquet at Church

Mrs. Joy Barnett of Kansas City, Kans., was guest speaker at a mother-daughter banquet held at First Assembly of God Church, 24th street and Grand avenue, Friday evening. Mrs. Barnett is nationally known as a lecturer on handwriting analysis and Teen-Down.

The banquet theme, "As The Twig Is Bent," was carried out in the programs and the table and wall decorations with topiary trees. Favors were miniature topiary trees.

Among the highlights on the program was a skit "Mother Mode," a talkoff on fashion shows for mothers, and "Mother" tableaux depicting lives from boyhood through the bride years. Another feature was a poem contest, the winner receiving an inscribed trophy. Gifts were presented for four generations present and in other categories. Orchid corsages were given to Mrs. Margaret Wolverson, dinner chairman, and to the speaker.

There are now 80 Teen Age clubs in the state. The Federation is being set up under the supervision of the Illinois Young Republican organization.

Mrs. Fay Briggs is club hostess. The Bunko-ettes were entertained Thursday evening at the home of Mrs. Fay Briggs, 2617 Madison avenue. Highlighting the party was a birthday celebration honoring Mrs. Florida Batson, who was given a gift.

Games were played with prizes awarded to Mrs. Helen Lipchick, Mrs. Batson, Mrs. Rose Druehr, Mrs. Angie Bushler, Mrs. Briggs and a guest, Mrs. Hazel Schuerman. Decorated miniature birthday cakes were served.

MISS SHARON POPILOCHAK, a bride-to-be. Her engagement to Jesse P. Wise, a son of Mr. and Mrs. Jesse L. Wise, 2707 Buxton avenue, is announced by her parents, Mr. and Mrs. John Popilchak, 2341 Orville avenue. The wedding will take place in September.

PATIENCE CIRCLE MEETS AT SOTIROFF HOME

The Patience Circle of Niedringhaus Memorial Methodist Church met Thursday with Mrs. Vaul Sotiroff, 224 Pershing avenue.

After the opening prayer by Mrs. Woodie Lynn, circle leader, the May lesson, "Struggle of Deceit," was presented by Mrs. Sotiroff.

Brunch was served by the hostess to those named and Mrs. Ann Mathis, Mrs. Esther Langolf, Mrs. Ethel Lerch, Mrs. Maude Ruckriegel, Mrs. Mabel Barnes, Mrs. Mildred Whyers and Mrs. Abbie Fox.

The next meeting will be at 1 p.m. June 2, in the lounge of the church.

ATTEND GOP STATE MEET

David Koenig, president of the Teen Age Republican Club, served as a delegate from the local club to the first convention of the state Federation of Teen Age Republican clubs in Springfield Saturday. He was accompanied by Mrs. Vernice Wortman, adviser to the local group, and Mr. and Mrs. John Edwards from the College of Young Republicans.

There are now 80 Teen Age clubs in the state. The Federation is being set up under the supervision of the Illinois Young Republican organization.

MRS. FAY BRIGGS IS CLUB HOSTESS

The Bunko-ettes were entertained Thursday evening at the home of Mrs. Fay Briggs, 2617 Madison avenue. Highlighting the party was a birthday celebration honoring Mrs. Florida Batson, who was given a gift.

170 Attend

Church Luncheon

The May Fellowship Day luncheon of the United Church Women was attended by 170 persons, representing 15 churches, on Friday at St. John United Church of Christ.

Mrs. Helen Robertson, third vice-president, was chairman, and the theme was "Poverty-Plenty: Discover-Plan-Act."

Special speakers were Mrs. Mrs. Louis McDonald, a founder of the Exit Coffee Shop in Gas Light Square, and Mrs. Edward Stuebel, a volunteer worker at the shop, who told of their experiences.

Mrs. Ralph Monken, president of the group, conducted a short business meeting. Rev. Paul Surbey of the host church gave the table grace, and Rev. Paul Sims of Niedringhaus Methodist Church and president of the Tri-City Ministerial Association, gave the benediction.

ECUMENICAL MOVEMENT IS CIRCLE TOPIC

"The Ecumenical Movement" was the topic of the lesson and devotionals given Thursday evening by Mrs. Paul R. Sims, who was a guest of the Faith Circle of Niedringhaus Memorial Methodist Church. The group met in the home of Mrs. Paul Smith, 2117 State street.

Sentence prayers were repeated to open the meeting and "get well" cards were signed for shut-in members. Projects for the annual church bazaar were discussed in the business session.

Refreshments were served by the hostess to all members and two guests, Mrs. Eva Evans and Mrs. Sims.

Belleville Downs
Coolidge Nine 12-4
Coolidge's baseball team started out with two runs in the first and another tally in the second to chase Belleville's Denny Sullivan in Thursday's game but Belleville came back to win 12-4.

Three walks and a hit put a trio of runs on Belleville's scoreboard in the fourth and three more hits around two bases on balls in the fifth put Belleville out of reach. Bob Wojtowicz doubled before being injured on a piece of glass in the outfield and Allen Hennrich and Gary Simpson collected two hits each to pace the losing Braves.

Cahokia Wins In 8th Grade Track Event

Despite record-setting performances in three events Coolidge junior high track team wound up with 55 points and second place in a triangular meet with Central and Cahokia, Thursday by 13 points.

on the Granite City oval. Cahokia won the affair with 68 points and Central was third with 24.

Coolidge may have fared better had not Coach Skip Hastings elected to save three of his athletes for Friday's conference meet. As it was Coolidge records in the 800-yard run, high jump and mile relay were bettered as Cahokia slipped past the Braves by 13 points.

YOUR AUTHORIZED MERCURY OUTBOARD DEALER

MERCURY announces the first major breakthrough in outboard ignition in 50 years...

NOW—Spark plugs last seasons, not hours!
NOW—Pre-ignition, even with highly leaded fuel, is unheard-of and unheard of!
NOW—Engine efficiency and reliability are dramatically increased!
NOW—High-powered engines idle like fishing motors!

The new Thunderbolt Ignition was invented and developed by Klekhaer engineers. It is a complete, fully integrated system that makes use of space-age, solid-state materials and technology to produce dramatically increased spark plug life and engine performance.

Thunderbolt is so named because its spark voltage impact far surpasses that of a conventional system—and because it produces this voltage in mere millions of a second, many times faster than a conventional coil-and-battery system does.

Thunderbolt ignition fires the plugs so quickly that practically no energy is lost through leakage. Thus, it can fire plugs that are "fouled" by conventional ignition standards. And, because the triggering current required to discharge the capacitor (condenser) is so small, points are not nearly so subject to pitting and burning.

An integral part of the new Thunderbolt Ignition system is Mercury's new Polar-Gap spark plug. Polar-Gap is a very "cold" plug; operating temperature of the electrodes and ceramic insulator is 800 to 1000 degrees cooler than conventional plugs. Consequently, deposits from the use of leaded fuels do not reach pre-ignition temperature levels. Spark arcing area is considerably greater than that of a conventional plug—Polar-Gaps have a 360° electrode gap. This reduces the rate of electrode erosion, partially accounting for the greatly increased life of the Polar-Gap plug.

Thunderbolt's high-voltage spark just about eliminates low speed wet fouling or carbon fouling, while the very low operating temperature of the Polar-Gap plug ends fouling caused by lead deposits from automotive fuels.

And, Thunderbolt brings you a bonus of minimum interference with your radio and electronic equipment—only a single spark is produced.

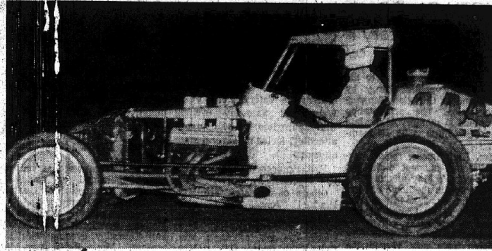

The new Thunderbolt Ignition is exclusive on the new 1966 six-cylinder Merc 1100SS and 950SS. It makes them the most advanced outboards ever manufactured, offering performance dependability and economy never before experienced in any high-horsepower outboard.

Highland Learns Trojan Ways in High-Score Win

Thursday's Midwestern Conference meeting between Madison and Highland found the Bulldogs copying the Trojans recent championship turn to powerhouse status as they trimmed Madison 13-5 on the Bulldog diamond.

Coach McManahan's diamond squad with a final 5-5 SWC record had played close games all season until their 11-5 rout at Cahokia Thursday. While only one Trojan game was decided by one run, four were two-run decisions, two were decided by three tallies and only one involved a margin of four runs—their conference lid, their 4-0 loss to Highland.

Highland, too, has played "close." The Bulldogs games were decided by one run, another by two, and one by three home plate crossings. The Bulldogs had two early-season 4-run wins but only twice did they win by more than this until Thursday.

In the Thursday tilt Madison looked like they were off to the races again scoring once in the first and four times in the second.

Even before Tom Williams got into the second-inning act with his initial hit of the season, a two-out triple driving in Jim Wilkins, who led off with a walk, thus shipped drove Williams home before Steve Shipoff was walked.

With the backs full of Trojans and Greg Wasyiak reached first on an error to lead the bases. With the backs full of Trojans and Greg Wasyiak reached first on an error to lead the bases. With the backs full of Trojans and Greg Wasyiak reached first on an error to lead the bases.

Coolidge Hurler Has One-Hit Game Friday

Jim Becker's one-hitter left West of Alton with only a fifth-inning bunt single in a junior high baseball game at Coolidge Friday won by the Braves 13-1.

Behind Becker's 8-strike-out performance the Braves pounded away solidly highlighted by Rich Logan's first-inning grand slammer. Dennis Huebner collected a single and a double, and Tim Wallace and Gene Hudson pounded out triples in the one-sided affair.

No one can map out your life for you because no one has been where you are going.

Net Tigers Tough In Narrow Coolidge Win
The names were the same and the places the same as Coach Bob Moske's Coolidge tennis team traveled to Edwardsville for a repeat performance of their match last week. The outcome, however, was different as the Braves could only win in singles, taking the match 3-2.

The strong doubles play of Tiger netters Alan Fraundorf and Ed Griegle set back Jim Carlisle and Mike Loftus 2-6, 4-6 while Dave Jones and Alan Wigfield had more of a struggle with the Braves' Dave Johns and Dennis Kummernut than with 3-6, 6-2.

In singles John Van Buskirk easily handled Rick Solomon 6-1, 6-3, Bob Green beat Bob Mantrip by the same 6-1, 6-3 scores, and Keith Nagy won over Tad Armstrong 6-3, 6-2.

A SUCCESSFUL FISHING TRIP for R. S. Arakaki, 2149 Miracle avenue, is well evidenced by this string of largemouth bass and crappie caught on Lake Norfolk in the Bidwell Point area.

ARKANSAS PROVED LUCKY as a choice for the first 1966 fishing trip for Larry Guenther (right), 2764 Iowa street, and his Festus, Mo., angling buddy, Pearl Friend, who holds the six-and-a-half-pound bass that topped their catch at Greer Ferry, Ark., recently.

the downstate fisherman

by pete brown

It was one of those Sundays, May 1, when as well on fyrod poppers, his best scaling 6 1/2 pounds, crappie, bluegill, carp, buffalo, stripers—you name it—the action was there.

One fisherman's bag of bluegill keepers at the spillway included 20 at a pound apiece. Even allowing for the average angler's bent toward hyperbole, "tremendous size," there is good evidence that a lot of large bluegill are being taken at Horseshoe. They're hitting crickets.

The bigger crappie were being taken in deep running water at the spillway but one pounders decorated many a hip-bodied fisherman's string on the lake itself.

Although all conditions were far from ideal, the weekend turned out to be one of the season's better ones. While backwater areas and inlets were busy, the main surfaces of larger lakes in the area are in fairly good shape.

LITTLE GRASSY — Bass fishing, good and surface action picking up. Ron Dawson, Mankato, hung an 8 1/2 pounder on a Hedrick; Gene Vest, Marion, caught seven totaling 27 pounds (7 lbs. top) on the Dalton Special.

CRAB ORCHARD — Trolline fishermen picking up some big channel cats with Virgil Holland, Carbonate, dredging out an 11 pound blue. Several reports of large yellow perch, striped bass, unusual for this lake which is loaded with stunted ones.

Crappie were starting to hit on the lake with some 1 1/2 pounders taken near the Crab Orchard Boat and Yacht Club. Frank Nehring, Murphysboro, hit for a pair of 5 1/2 pound bass in the Cambria necks. He uses a Herb Dilly.

LAKE MURPHYSBORO — Many 1-2 pound bass were being caught over the weekend but still no lunker reports. Bluegill are hitting at Indian creek below the spillway. Fishing is generally fair.

MERMET LAKE — Slab crappie hitting at 12-18 inches. Bucktail White is working well.

LAKE OF EGYPT — Another good week and Harry Douglas goes into the books as lunker champ with a 7 1/4 pounder; biggest this year. He also caught a 7 lb. bass. James Aaron, Marion, still finding them, connected for a 7 pounder. Several threes and fours were reported. Top water hardware is paying off.

Gun Club Name Correction
The Granite City Steel Gun Club has been recently reorganized under its original name, the John N. Marshall Gun Club, instead of the John N. Miller Gun Club, as was erroneously reported in Thursday's Press-Record.

The open skeet and trap shooting team competes with the 84-ton Sportsmen Club on Thursdays at 7 p.m. instead of Tuesday as was earlier reported.

ARKANSAS PROVED LUCKY as a choice for the first 1966 fishing trip for Larry Guenther (right), 2764 Iowa street, and his Festus, Mo., angling buddy, Pearl Friend, who holds the six-and-a-half-pound bass that topped their catch at Greer Ferry, Ark., recently.

Mitchell A.C. Boys' Baseball Program Starts

The Mitchell Boys' Baseball program is set to begin its season with opening-day ceremonies May 14, under the direction of Harry Bruckner and the sponsorship of the Mitchell Athletic Club.

The league will be made up of four teams in two divisions, the 7-9 age bracket. Atoms and the Bantams for boys 10-12. The Atoms play every Tuesday evening and the Bantams have their games set for Thursday evenings. All games begin at 6 p.m.

Two fields behind Mitchell School will be in use again this year and the sponsors are readying another diamond at the Catholic Grounds on Greenwood road.

The teams and their managers this year are: Atoms—Cardinals, Gayland Waldo; Reds, Gene Dretter; Yankees, Bill Ball; Bombers, "Stitch" Page; Bantams—Cubs, Tom Timmons; Giants, Melvin Simpson; Red Sox, Bill Tindall; Dodgers, Golden Barton.

Ceremonies on Saturday will be highlighted by a parade under the direction of Gordon Routh. League officials will firm up additional plans this week.

Mitchell's Athletic Club program this year will also include a girls' softball league with six teams for girls ages 9-12. Girls interested in participating are to register at Gene's Barber Shop, Chain of Rock road and Lenox avenue in Mitchell.

Injuries Figure In Peru Players' Luck

Diamond injuries have played a role in the varsity destiny of two out of the three Granite City prep athletes on the Peru State College baseball team this season. The trio consists of outfielder Ron Yates, catcher Chuck Mierski and right-hander Doug Winfield.

Winfield continues to show promise as the freshman hurler is tied with two other pitchers for the team's leading 34 mound records.

Yates has suffered an injury causing him to see action in only ten of the Bobcat's first 14 games. But an injury to the first string catcher, Pat Vendette might see varsity backstopping duty fall to Mierski who has seen action in only two games.

Mercers, Mitchell Win as All Inter-City Teams Play

The sudden turn to cold weather and rain was hardly enough to allow a full slate of Inter-City games yesterday, including a Wilson Park meeting between Mercer and host team Hearts-Liberty Home. Mercer won 10-7.

Mitchell, entertaining East St. Alton, was successful, winning 7-2. In other action, Pochontas won over Mollair 11-3, Harpers edged Polish American 8-6 and Troy, in its initial season outing, untrounced Maryville 10-7.

In the Mercer vs. Hearts-Liberty Home game, what looked like a pitching duel between Pat Harris and Hearts hurler John Rains became pretty much of a rout as Mercer's leading 34-scoring third in the seventh and fourth more in the ninth.

After Mercer scored twice in the second, Hearts-Liberty Home came back in the third on singles by Bob Keiner, Manager Ed Oplich and Rains to tally once. But, paced by Oplich's three singles for the contest, the Hearts were never closer than this.

Mercer scored once in the sixth and really began to con-

Warriors Win Tennis Tournament; Malottki, Popmarkoff Take Doubles

Granite City high school's tennis team won the district tournament during the weekend at Belleville and Collinsville, also throning Belleville's Maroons by a point, 12 to 11.

Advancing to the state tourney May 20 at the University of Illinois were Bob Malottki and Norman Popmarkoff, who went all the way in winning the double title.

The pair had a first-round bye and then defeated Howard Stein and Don Mueller of Belleville 6-2, 6-1, Ernie Steinman and Kevin Schwartz 6-2, 6-2, Kevin Moon and Mike Broderick of Mascoutas 6-0, 6-2, and Greg Mudge and Brent Wolford of Edwardsville 6-1, 6-0, in the finals.

Contributing strongly to Coach Dick Harmon's Warrior effort was Jim Holland, who defeated John Connors of Assumption, 6-0, 6-0, in the second round. He had lost to Connors a week earlier.

Holland took a first-round match from Don Webber of Collinsville, 6-0, 6-2, and sailed down Terry Judson 6-2, 6-1 before he bowed to second-seeded Jim Schwartz 3-6, 2-6 in the semi-finals.

In another singles event, Jeff Purnley lost to Terry Dietzel of Roxana in three sets 10-8, 3-6, 3-6.

The other Warrior doubles team, Bill Harris and Louis Mehl, upset Terry Lockett and Larry Lolly of Roxana, who had been pelted to go all the way, 7-5, 6-1 in the first round.

Harris and Mehl defeated Denny Cook and Rick Wessell 3-6, 6-3, 6-2 in the second round before bowing to Mudge and Wolford in the quarter finals, 7-9, 5-7, 6-6.

Partney Urges Clean Up Support

City Trucks to Pick Up Accumulated Trash

Mayor Partney announced today in connection with the area-wide clean up, fix up, paint up campaign that piled-up junk will be picked up by city trucks with the current two-week campaign, the schedule to be announced later this week. "To solve this problem of accumulating junk, our city trucks will pick up things limited to no heavier or bigger than two men can handle. The schedule will be announced by Thursday," the mayor said. In a statement in support of the current two-week campaign, the mayor said: "Let's spend more time on community pride. 'Civic pride cannot be legislated and without civic pride no community or neighborhood can be kept clean and beautified. I know the people of our community have enough civic pride to make our community a better place to live, work, and worship."

Trail of Trash
"The affluence of our society has been both a blessing and a curse, as we have progressed to the highest pinnacle of financial success. With all our wealth, we have become lax in some respect. While traveling this road to success, we have left a trail of trash that staggers the imagination and gives lie to the song we blithely sing at the drop of a candy wrapper, 'America the Beautiful.'"

Attorney New Member Of Bi-State Agency

Charles Hamilton, East St. Louis attorney, was appointed by Gov. Otto Kerner last week as a member of the Bi-State Development Agency. Hamilton, who is 31, succeeds Herbert S. Wilhelm of Collinsville, executive secretary of the East St. Louis Central Trades Council. Hamilton will be seated on the board at its May 25 meeting.

The new commissioner is a member of the East St. Louis law firm of Listeman, Bandy & Hamilton at 316 Missouri avenue, East St. Louis. He lives at 846 North 89th street, East St. Louis.

sense of social responsibility and civic pride.

111 Buildings Razed

"We, of the city, in the past year have attempted to keep our city clean; by razing 111 old buildings, removing 286 junk automobiles from our streets, alleys, back yards, and vacant lots, cleaned up trash from alleys, and maintain the finest land-fill at our dump in the entire metropolitan area."

"Our city inspectors will give advice to citizens on 'paint up, fix up.' Each individual should identify himself with his community and experience a sense of civic responsibility."

"With the cooperation of all the citizens of the Quad-Cities, we can make our area a cleaner and better place to live."

Dinner was served at a table centered with an arrangement of pink carnations, a gift from other friends, and a watch was presented from the city hall group.

Among those attending were Mesdames Margie Hall, Helen Homan, Marabeth McConnell, Aileen Smith, Marilyn Stagner, Elizabeth Jenkins, Edith Ryan, Florence Austin Calista Sawyer, Virginia McLeister, Velma Zang, Lucy Stucke, Corinne Borchers, Lillian Douglas, Gladys Bass, Daisy Pashie, Virginia Gifford, George Bourbon and the honoree.

IOTA PSI HOLDS MOTHER DAUGHTER NIGHT

Wednesday evening, the Iota Psi Chapter of the Beta Sigma Phi Sorority held its annual Mother and Daughter night at the Carriage House in Belleville. Spring flowers were used in decorations and the favors were individual miniature bouquets for each guest.

Each member made a kitchen bonnet, and Mrs. Carol Merz won the prize for the most original. Games were played and prizes won by Mrs. Lois Muller and Mrs. Alfred Davis.

A dessert luncheon was served at the close of the evening to Mesdames Pat Takmanjian, Mike Meg, Jo Ann Maclos, Ann Margul, Lois Muller, John Muller, Mary Herman, Harry Serfas, Pat Winters, C. E. Townsend, Sally Stegelmeyer, Willford Cooley, Ursula Laxey, Stanley Maclos, Jo Ann Kaler, Miss Jane Davis and Mrs. Alfred Davis. Mrs. Carol Merz and Mrs. Wallace Johnson.

The next meeting will feature an installation to be held in the home of Mrs. Joyce McCall, place, on May 18. This will be the final meeting of the season.

ANNOUNCE BIRTH OF GRANDCHILD

Mr. and Mrs. James Walker, 1638 Courtney blvd., received word this week from their son-in-law and daughter, Sgt. and Mrs. Robert B. Nix on the birth of their second child.

Their new arrival, a boy, was born April 22 at Oklahoma, where Sgt. Nix is stationed with the U. S. Army. The infant has been named Michael Alan. He weighed nine pounds and 1/4 ounces. The Nix's have a daughter, Michelle Denise Nix, who is 15 months old.

The paternal grandparents are Mr. and Mrs. Jack Nix of Canadian, Texas. Mrs. Nix is the former Linda Walker and attended the local schools.

SECRET PAL NAMES REVEALED

Secret Pal names were revealed at the regular meeting of the Candlelighters Club Thursday evening. The annual event was held in the home of Mrs. Shirley Thompson, 3806 Wabash avenue. Following the opening of gifts new names for the coming year were drawn.

During the evening games were played and these excellent in scores were Mrs. Betty Rea, Mrs. Arlene Laub and Mrs. Shirley Brown.

Final plans were made for the members to attend the River Queen for dinner in lieu of their next regular meeting on May 26.

The hostess served a late dinner to the prize winners and to Mesdames Norma Loftus, Arlene Morley, Doris Thompson, Shirley Breeze and one guest, Mrs. Diane Schwendener.

In decorating her dining table, Mrs. Thompson used a spring theme. The tablecloth was olive green and the centerpiece was an arrangement of yellow jockeys in a milk glass bowl placed between two white milk glass candle holders with lighted yellow candles.

She served dinner from family antique white dinner plates and was assisted by her daughter, Miss Jill Thompson. Her daughter made the tablecloths which were white with a spring flower inscribed on the front and the table favors she used yellow napkins with a white stem holding different spring flowers and they were filled with party mix.

The scouts will meet again on May 11 in Mrs. Kirtle's home.

FINAL MEETING FOR MARYVILLE SCHOOL PTA

The final meeting of Maryville school PTA will be held Tuesday evening at the school, and the guest speaker will be Henry Belser. His topic will be "Counseling and Guidance," stressing discipline with a question and answer period following.

Mrs. Constance Jense's sixth grade students will present a musical program as part of the entertainment.

Boy Scout Troop 96 leaders will give advancement awards to the deserving scouts.

As a highlight of this meeting the recently elected officers for the coming year will be installed by Owen Humphreys, principal, of the school.

All parents are urged to attend including those who have just enrolled their children as new students for the new school year.

HOMEMAKERS SEWING SESSION

Mrs. Marilyn Deatherage and Mrs. Irene Dawes served as instructors for the weekly sewing session held for members of the Isabel Bevier Unit of Madison County Homemakers Extension Association on Wednesday in the home of Mrs. Edith Ross, 11 Terrace lane.

A potluck luncheon was served, followed by the lesson on Kimono and raglan sleeves.

The class will meet again on May 11 in the home of Mrs. Ross and those attending are to have sack lunches.

Present were Mesdames Lillian Adams, Helen Cavar, Margaret Pifford, Doris Wilson, Norma Jean Ross and Myrtle Hickman.

Warriors Win Three, Meet Madison Today

Continuing to win games by more respectable margins the Granite City Warriors had little trouble with Columbia's Eagles at Wilton Park Friday as they pounded out ten hits in the 61st contest, including Fred Hoffman's first round-tripper of the season.

Attempting to let more of his staff get in mound duty, Coach Fedora started reliever Mike Shambo, who allowed only one run in his four-inning stint before Tony Gregus took over. The Eagles collected only four hits.

Traveling to Springfield Saturday for a doubleheader with the Lamplighter Lions, the Warriors continued banging the ball as they subdued their hosts in the first game 10-0 and won the second tilt with No. 2 team starters, 7-5.

In the first game of the twin bill, when Fedora led three hurriers work out in the abbreviated, five-inning affair, Greg Patton was two-for-four with a homer and two RBIs, and Fred Huff

two-for-three with three runs batted in. Danny Henson had a round-tripper with two on.

In the fifth inning of the second game, three bases on balls led to a four-run revolt. Steve Lingo relieved to quiet the Lions before they tied the score. The Warriors added three more in the first game 10-0 and won the second tilt with No. 2 team starters, 7-5.

Standouts in the second game which saw Fedora use 22 players were Paul Kacera's pair of doubles and RBIs, another deuce of RBIs by Dana Lakatos, who was two-for-four, and Greg Patton's pinch-hit single in the big fifth inning.

The Warriors meet the Trojans at Wilton Park today at 4 p.m., with Granite City sending

Coolidge 3rd, Prather Fifth In Oval Event

Coolidge was edged into a 4th place third place finish at a track and field meet in Collinsville Friday where Prather's 10 points netted them a fifth place position. Edwardsville with 46 1/2 points took the affair, North of Collinsville was second with 46 points.

Dave Mullenix took first in the hurdles over ten and five and placed third in the long jump to pace Coolidge. Prather's Joe Bodi took the long jump and placed again for the Chiefs in the 220 and 440-yard dash.

They received clock trophies from Ron Weidenheft (left), bowl manager. They will compete May 26, 27 and 28 in the Washington, D. C. finals, with the winners to get five trips to Europe.

Warrior Sophs Win 3 Games

Granite City high school's sophomore baseball team won three games during the weekend, including Collinsville 4-1 Friday on the road and defeating Belleville 2-1 and 5-0 in a home twin bill Saturday.

Don Ricks went all the way on the mound for the young Warriors Friday, limiting Collinsville to three hits. The winners also were held to three safeties, a triple by Roger Coakley and single by Bob Jones and Dennis Withers.

Jeff Stiles went the route on the mound in one game against Belleville and was tagged for six hits while his teammates contributed only 1. Bob Jones had a triple and Don Levey doubled.

The Warriors came up with six runs in the fifth inning, including a base-loaded triple by Barry Lloyd in the nightcap. Rick Possick had a single, double and triple. Bud Eberhardt was the winning hurler after relieving starter Ron Laws in the fourth inning. The winners collected 10 hits.

The victories boosted the Warriors' record to 5-5. The next outing is scheduled for Thursday at Edwardsville.

Car Ills and Spills Plague Racing Event

Jim Moughan of Springfield, Ill., took the feature event in super modifieds at the Tri-City Speedway Saturday, in an evening in which car trouble and spills plagued most of the favorites.

Bill Meyer of Wood River set the feature quick time with a clocking of 26.52.

Gordon Wooley of Waco, Tex., one of the many racers from wide areas at Tri-City this weekend, was leading the feature when he was forced out with a sheared magneto gear.

With Spalding of Granite City, winner of the modified feature the previous evening at the St. Charles Speedway, was knocked out of competition with a broken steering gear.

Jerry Blundy, another feature favorite and a top entry from Galesburg, Ill., was forced out of the running in a sensational spill on the third corner but escaped injury and is entered again this coming Saturday in another car.

Jerry Camfield, Argenta, Ill., took second in the feature. Third place went to Art Range of Cahokia, and Chuck Lynch of Springfield was fourth.

In hobby car competition, Clyde Linderman of St. Louis won the quick time and took the tender-bender feature event as well.

Warriors Tenth In Tough Relay Event Friday

Granite City's Warrior thincads gave some of their best performances in the highly competitive East St. Louis Relays Friday night. Their tenth place finish was better than Coach Jim Morrison had believed possible.

A powerful Flyer squad dominated the meet with 81 points. St. Louis Beaumont was second with 64 and East St. Louis Lincoln was third with 58.

Typical of the competition, with athletes running at last on dry earth, was the Granite City school record shattered by the Warrior mile relay team of Carl McDowell, Joe Pashan, John Bohnenstiel and Randy Corey. Their time of 3:31 was fourth in the slow heat.

In the sprint medley, where Granite City scored one of its three place-finishes with a third, Joe Pashan ran the quarter-mile in 51.8. Leonard Revelle's 22.3, Bill Davis's 22.9 and John Bohnenstiel's anchor leg of 2:00.7 were the best times for those three athletes this season.

In the distance medley, where the Warriors finished fourth, Dave Lomax ran a 2:04.3 half-mile. Keith Gauen ran his 220-yard leg in 23.3. Randy Corey did a quarter-mile in 32.5 and Jim Stephens ran a mile in 4:38.5.

In the best performance of the Warriors' Dwan Bridges, he had to watch his 1965 meet record of 17'11" in the pole vault fall. He took third place behind Flyer Marshall Hyde, who won the event at 13'9" for a new meet record.

Little Leaguers In Opening Tilts

The Crewcuts, last year's Nameoki-Pontoon Little League Major division champ and playoff finalist, hosted the playoff runner-up Bobcats who won 6-5 in the first half of a double-header opening-day program Saturday.

The second game featured the Minor division league champion Bombers winning 14-5 over the Wrecks, playoff winners.

The 10 teams in this year's Nameoki-Pontoon league get their season under way tonight in regularly scheduled league play.

NATIONAL HOSPITAL WEEK

MAY 8-14, 1966

Theme is:

ALLIANCE FOR HEALTH

... WHERE SERVICE KNOWS NO AGE BARRIER

WHAT IS A HOSPITAL?

A dictionary definition says a hospital is "an institution for the needy, aged, infirm, or young where sick or injured are administered medical and surgical care."

To Mr. Average Citizen the hospital is something special, a kind of a paradox: It's good to know it's there, good for the community, too, but he hopes he never has to use it. A generation ago his father felt the same way. However his daughter, a nurse, sees the hospital differently. She knows, too, it's good for the community, and from the inside looking out sees the best facilities in the world being put to use to guard and restore health. No longer is it "a place just for dying."

To the doctor it represents the extra care his patients need, and which he can't administer in the office or in the home. It is where his patients get the benefits of the surgical team, the specialists in medical technology and the latest in diagnostic techniques. It is the community health center.

To the policeman the hospital is many things—the first stop for accident victims, an army of doctors, nurses and orderlies mobilized to care for the sick and injured, a welcome sight when transporting an expectant mother, and his ally in an emergency on any day or any hour.

Mr. Senior Citizen is looking at the hospital differently, too. Since his retirement he has needed diagnostic work more frequently than during the working years. He has found that his hospital stays are nearly twice as long as they used to be. And the costs are higher and higher each visit with more and more care and more expensive equipment being utilized. Now, under Medicare, he will be relieved of most of the costs for his hospital care. Today and tomorrow he can look at a hospital and see extra security in his retirement years.

The hospital, for most people, is where life begins. After those first days of residency it may not again be needed for 20 years, 40 years, or nearly a lifetime. But the hospital is there brining all its skills to bear on the primary goal of high quality health care for everyone.

National Hospital Week is designed to provide for every citizen an opportunity to see his hospital in action, and to show how it is a vital, living part of the community.

Two Children Treated For Dog Bites Sunday

Two children were treated at St. Elizabeth Hospital Sunday for dog bite injuries. Beverly Williams, ten, daughter of Mr. and Mrs. Mitchell Williams, 2312 Missouri avenue, was treated for a bite to her right arm, two inches below the elbow at 8 p.m. Sunday.

Michelle Maclette, three, daughter of Mr. and Mrs. James L. Maclette, 2112 Alton street, Madison, suffered a puncture wound to the left cheek when bitten by a dog Sunday afternoon.

Arrested in Madison
Clifford R. King, 28, of 2722 Harding avenue, was arrested by Madison police at 1:30 a.m. today on charges of improper passage and lane usage and driving under the influence of alcohol. King was released pending hearing in magistrate's court May 18.

Gen'l. Assembly

now the case for Granite City—the city must take at least two years to raise it to 25 cents.

Moreover, if the 1967 session of the legislature approves these bills, the earliest the tax hike would be reflected in tax bills, would be 1968. So, that means the first such relief to be gained from these measures, would be at least two years away.

And, if the legislature does approve the bills next year, it would mean that city councils, county boards of supervisors or any other governmental agency for a taxing body, could raise its tax rates to the new maximum limits without a referendum.

Details of Proposal
Here are the commission-proposed limits which would replace the present Hodge-Butler-Downing formula to compute limits:

For cities—corporate rate, 25 cents; garbage collection, 10 cents; library, 12 cents; fire protection, 10 cents; parks, 6 cents; playgrounds, 5 cents; street and

bridge, 10 cents, and public benefit, 5 cents.

For comparative purposes, here are the same (unless these are not extended) rates now being applied in Granite City, Venice and Madison:

Granite City—corporate, 14.4 cents; garbage collection, 4.25 cents; library, 6.91 cents; fire protection, 16 cents; street and bridge, 6 cents; and public benefit, (none).

Venice—corporate, 17.1 cents; garbage collection, 5.13 cents; library, 4.47 cents; fire protection, 7.60 cents; street and bridge, 5.46 cents, and public benefit (none), assures good government.

Madison—corporate 14.68 cents; garbage collection, 9.61 cents; fire protection, 10 cents; street and bridge, 10.17 cents; and public benefit, 17.3 cents.

Another provision in the bills will be the "gra grandfather clause" to protect some existing taxes. That means if a city, county or some other taxing body has a rate listed in these bills, that rate will supersede under the protection of this clause.

Election by Citizens For Decent Literature

Citizens for Decent Literature elected Ray White as president during a meeting Saturday morning at the city hall in Granite City. Mrs. Jo Thomas was re-elected as secretary and Charles Barth was re-elected as treasurer. Both gave reports.

Rev. Lawrence Mattingly, pastor of St. Elizabeth Catholic Church, who presided, will continue to serve as senior vice-chairman. Publicity and program chairmen will be appointed at a later meeting.

The committee is purchasing a film to show to any PTA and church groups wishing to view it. Small donations will be sought from such organizations, enabling more informational material to be purchased.

Appointed by Mayor Partney, the committee seeks to combat publication and distribution of literature regarded as obscene. A report was submitted by a sub-committee which has been checking local stores on sale of books and magazines and also tracing material sent through the mails.

The fellow who succeeds does not pass the buck—he just passes all his competition.

Manager of Theater Assaulted, Injured

Edward Freeman, 27, of East St. Louis, manager of the Bel Air drive-in theater, was admitted to St. Elizabeth Hospital after he was struck in the face with a piece of tubing by one of two youths who were creating a disturbance at the theater at 10:20 p.m. Friday.

Freeman warned them to remain quiet, threatening to evict them from the theater. The two made threatening gestures before one left the car and struck the manager.

The two were taken into custody later by Granite City police after a witness noted the license number and they were turned over to the county sheriff's office for investigation. Charges had not been filed this morning.

Fire in Railroad Ties

Venice firemen were called at 2:30 p.m. Sunday to a fire in a pile of railroad ties near the south gate of the Army Depot. There was no damage, firemen said.

Chili Lunch for Elks

A chili lunch is to be served in the Auditorium room following a semi-monthly meeting of the Elks Lodge 1063 at 8 p.m. tomorrow at the Elks club.

nie Winke, the council agreed to press a program for raising un- used and dilapidated sheds and outbuildings bordering on alleys. Health Inspector Louis Radloff told the council that some of these are being torn down fol- lowing inspections in cases where occupants on the property are cooperative.

Dr. John E. Lee, mayor, sug- gested that for a period of about four weeks the city street depart- ment tear down and remove the debris of old sheds as an incen- tive to the property owners to clean up their property along the alleys.

A survey also is to be made of such old buildings with requests going to property owners for per- mission to remove them. Hart- man said that if a property owner objects, legal proceedings to tear down a shed or other out- building are the same as those necessary to condemn any other piece of property.

John Gitchoff, Madison school district attorney, appeared be- fore the council and explained that a Venice alleyway which Venice has been asked to vacate for the Dunbar school expansion project will be replaced by an- other strip of property to be ac- quired by the school district later.

William "Mike" Ebersoldt, city clerk, told the council that he had written letters to the three railroads using the Venice Broadway crossing, asking them that crossing blockages by trains be held to a minimum.

Ebersoldt said he received only one reply—from Norfolk & Western in which it was prom- ised all delays at the crossing would be kept as brief as pos- sible. No response was received from the New York Central and the Gulf, Mobile and Ohio rail- roads.

Military Rites Today For Pfc Loren Bradley

Full military services are to be held in Granite City this after- noon for Marine Pfc Loren "Duke" Bradley, 20, son of Mr. and Mrs. John Bradley, 2907 Warren avenue, who was fatally wounded in action in Vietnam April 23.

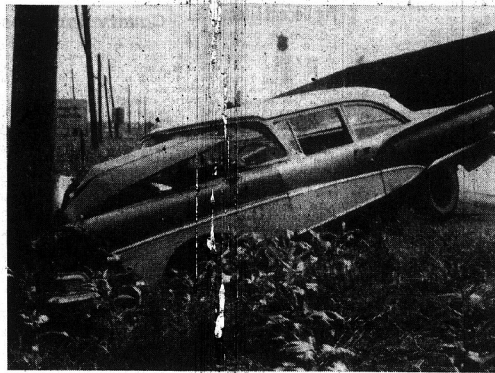

Pfc Bradley was a native of Granite City and had lived in the Quad-City area all of his life before entering service several years ago. He had been in Viet- nam for the past year and on several tours of action on the front.

He suffered a head wound in action near Phu Loc, Vietnam. He was evacuated to a hospital ship where he died the following day.

Bradley was a member of the Calvary Baptist Church and at- tended schools here.

In addition to his parents, Pfc Bradley is survived by three brothers, David of Honolulu, Ha- waii, James of Los Angeles and John of Granite City, nine sis- ters, Misses Linda, Thelma, Cy- this, Lucy and Ruth Bradley of Granite City, Mrs. Harold Hughes and Mrs. Donald Taylor of Granite City, Mrs. Gary Cog- gins of Venice, and Mrs. Wil- liam Eblens of Edgewood, Md.

Funeral arrangements are giv- en in today's obituary column.

BROKEN POLE, SMASHED AUTO resulting from a one-car crash about 10 a.m. Sunday on Edwardsville road north of 21st street. Injured was the driver and lone occupant of the car, Carl E. Downs, 17, of 64 Garesche Homes, Madison.

grandparents Mrs. Walter Smith of Victoria, Ill., and Mr. and Mrs. John Bradley, 2820 Myrtle avenue. Funeral arrangements are giv- en in today's obituary column.

\$80,000 Judgment Made By Circuit Jury Here

A circuit court jury in the Granite City division of the court system returned an \$80,000 judg- ment in favor of a deck hand em- ployed on a towboat Thursday evening following a four-day trial.

Louis Munsell, employed by the Cairo Terminal Co. of Cairo, fell on a barge and was injured on April 14, 1964. The judgment was against Inland Tugs Co., Jeffer- sonville, Ind., a co-defendant. The injury occurred on the low- boat Bell Wolters at Cairo. Mun- sell claimed negligence in that the craft was not seaworthy. Judge Austin Lewis, hearing the case, allowed a motion by Cairo Terminal to instruct the jury to find in its favor. Munsell had sued for \$200,000.

Brownie Fun Day Is Postponed to June 4

GC Steel Co. Promotes Four Executives

The promotion of four executives to new positions in the operating department of the Granite City Steel Co. were announced today by Robert D. McBride, assistant general manager of operations.

Joseph P. Ossola, who has been assistant to the division superintendent—hot metals, has been promoted to division superintendent—primary steel.

Richard C. Allen, who has been assistant to the division superintendent—rolling and finishing, has been promoted to division superintendent—hot rolled products.

James D. Streett, who has been superintendent of the cold strip department, has been promoted to division superintendent—cold rolled products.

Arthur A. Kuhlman who has been division superintendent—maintenance has had his responsibilities expanded to division superintendent—maintenance and services.

Ossola Here Since 1953
Ossola has been with Granite City Steel since 1953 and occupied the position of production manager before moving to the hot metals division. He is a 1959 graduate of the School of Commerce and Finance of St. Louis University and lives at Collinsville.

Allen joined Granite City Steel last year from Inland Steel Co. where he was a general foreman. He is a 1951 graduate of the United States Military Academy at West Point, with a BS degree in engineering, holds the rank of major in the Army and also a BS degree in electrical engineering from the Illinois Institute of Technology at Chicago, and a master's degree in business administration from the University of Chicago. He lives at Ballwin, Mo.

Joins Firm In 1959
Streett has been with Granite City Steel since 1959 when he was graduated from Washington University.

Kuhlman joined Granite City Steel in 1943 and filled various maintenance and planning assignments. He has been area

of several teeth and other injuries when his auto struck and broke a utility pole on the east side of Edwardsville road between 21st street and Firkes lane about 10 a.m. Sunday. Downs, who was alone in the car, was hospitalized here, State police said. Downs apparently fell asleep and his auto was believed to have been northbound and crossed the roadway to hit the pole.

His father, Utah Downs, told authorities the youth had attended the high school prom and

Granite City PRESS-RECORD
Page 16 Mon., May 9, 1966

had returned home before leaving for work on a part-time job at Emmett's Market.

Darka Tilson, 19-month-old daughter of Mr. and Mrs. Paul Tilson, 2025 Madison avenue, suffered minor injuries at 4 p.m. Sunday when she was knocked down while walking behind her father's slow-moving car in the driveway of their home. She was treated at St. Elizabeth Hospital for a minor hematoma to the head and a bruise to the left forearm.

David Potts, 17, of 2028 Grand avenue, was injured early Sunday as he was walking across the Clark Service station driveway and his right foot was run over by an auto being driven at the station by Clarence Hartline, 2944 Iowa street. Potts was admitted to the hospital.

John T. Dalton, 23, of Alton was admitted to St. Elizabeth Hospital at 3:30 a.m. Saturday

after his car crashed into a Route One, was given emergency treatment for an injury to his right shoulder, suffered in an accident on Saturday. Details of the mishap were not available.

A Venice resident was hospitalized here Friday evening for injuries suffered in an accident on Interstate Route 70 in St. Louis. He is Frank Poniak, 912 Third street, a roofer, who was enroute home from work in St. Louis county when his auto was forced off the roadway by another car. His auto struck a post. Poniak suffered chest injuries and abrasions and contusions to his left knee and left hand.

Mrs. Betty Myers, 51, of 44 Circle Drive, Venice, was admitted to St. Elizabeth Hospital Sunday at 5:30 p.m. with head, chest and leg injuries received in an auto collision in St. Louis about 1:30 p.m. She was treated at Homer G. Phillips Hospital and transferred to St. Elizabeth. Michael Gibbs, 18, of 2145 Tessler, East St. Louis, about 10 p.m. Sunday at 27th street and Madison avenue. Tessler was treated with a minor head injury and X-rays were made. Details of the accident were not available this morning.

Clean-Up, Fix-Up

acre tract of land near Lake drive. The ground recently was donated to the village by Edward E. Cummings, a resident, who lives at 4650 Lake drive. A citizen's improvement group, together with members of the Nameoki-Pontoon Little League and village officials are cooperating in the venture.

Scout Activities
Joining in the concentrated drive for civic betterment, Girl Scouts under the leadership of Mrs. George Eubanks, River Bluffs Council president, will distribute "clean up, paint up, fix up" leaflets this week to encourage participation.

Lapel pins were handed out to passersby Saturday afternoon by more than 30 Cub Scouts, who marches from East 25th street along Madison avenue to the downtown city center. The group members of Cub Pack 20, sponsored by Webster school PTA, were led by Cubmaster Gene Mathenia and several den mothers.

Also on Saturday, Boy Scouts directed by Scout Executive Eugene Coe placed window signs and streamers in various stores and public buildings. Beginning next Saturday, the youths will form "Red Tag Brigades" to inspect the four communities. They will place "red tags" on various unsightly objects located around Quad-City homes as a reminder to homeowners of what needs to be done to help beautify their own home and community.

Home improvements to be noted and tagged by the scouts

include such items as ill-fitting tops of garbage and trash cans, unsightly accumulation of debris in yards, needed repairs on sheds or fences, repairs or painting needed on roof gutters and downspouts and removal of dead tree limbs.

White Tags, Too
At times where yards and alleyways are neat and clean, or where the householder appears to be participating in the drive, the Boy Scouts will leave a white tag which thanks the occupant for his efforts.

Taking their cue from the annual "street scrubbing" tradition of Holland, Girl Scouts, Brownies, Boy Scouts, Cubs, Explorer Scouts and adults will converge on a number of city streets Saturday, May 20, Armed with pails, brooms, mops, soap and water, the teams of volunteers will scrub the streets clean, urging everyone to make a concerted effort during the final weekend of the campaign.

Also starting today, the Granite City fire department began a series of "in service" fire inspections at business establishments in the downtown and suburban areas. Written reports on conditions at each place inspected are to be sent to the business operators, together with recommendations for improving unsanitary conditions or practices where appropriate.

City fire trucks, carrying two uniformed firemen, will be used to make the inspection rounds. Fire Chief Earl Frommberger said. Special emphasis will be placed by the inspection team on conditions around doorways, alleyways and building exits which may prove hazardous in the event of fire.

One fireman will make the safety check. Frommberger explained, while the second officer is to remain with the fire truck to allow the vehicle to respond immediately to an alarm if necessary.

Indications that results of the two-week drive will be most gratifying were expressed by Gene H. Sternberg, who heads the Tri-Cities Chamber of Commerce Civic Improvement and Development Committee. He added that cooperation from municipal authorities and various groups in each of the four communities has

been excellent.

"It appears Quad-Cityans will have a much cleaner, healthier and pleasanter place to work and live by the time the campaign concludes on May 23," the general chairman said.

Chairmen appointed to supervise projects in specific areas include Clifton E. Blankenship, Granite City's newer areas; William Hoedebecke, surrounding area to the north and east; Milton Morris, Venice; John Kopchak, Madison; and Eugene Coe, the older portion of Granite City.

Four Divorce Decrees Granted in Court Here

Four divorce decrees were granted Friday to Granite City couples in Madison county circuit court. They were awarded to Edward Dorich from Wilma Dorich, who were married Sept. 7, 1953. Dorich was charged.

Patricia Thornton from Jack Thornton. They were married July 3, 1947, at Piggott, Ark. Cruelty was charged. Custody of four children was given to the mother, and the father was ordered to pay \$30 per week child support.

Robert Coleman Brazel from Vicki Sue Brazel. They were married March 15, 1960. The father received custody of two children. Cruelty was charged.

Betty J. King from Leo Eugene King. They were married Feb. 28, 1956. Cruelty was charged. Custody of two children went to the mother, and the father was ordered to pay \$25 per week child support.

Survivors Knife Wound in Stomach; Condition Poor

Robert Forte, 24, of 3112 Wilcox avenue, was reported in "poor" condition at St. Elizabeth Hospital where he was taken early this morning suffering a stab wound in the stomach. Police said they were called to the house by members of Forte's family and found Forte in the kitchen. Police reported they were told the wound was self-inflicted with a paring knife.

Temperament is just a case of temper too old to spank.

You are urged to attend some or all of the opening ceremonies and events of the first phase of the year long dedication of the new Southwestern Campus facilities of Southern Illinois University, just off old Highway 66 between Granite City and Edwardsville. Visit the John Peck classroom building, the Elijah P. Lovejoy library, both now in use, and other buildings under construction. This new university complex is a vital step forward for Southwestern Illinois and makes available to the youth of the communities of the area one of the finest, most modern educational facilities unparalleled anywhere. When fully completed, this multi-million dollar university will allow thousands of the young people of Southwestern Illinois the privilege of earning a college education.

At left, in the top photograph, a section of the inter-building mall is shown which students find most enjoyable during pleasant weather. Here a student can study, relax between classes and enjoy the pleasant companionship of other young people who are working toward their college degree in one of the many areas of study offered by the university. The lower photograph shows another area of the campus and the clean, modern architectural lines of the classroom building and other buildings now under construction.

Year-Long Dedication of University Campus Begins Friday

Gov. Kerner Will Speak; 2 Buildings In Use, More Nearing Completion

Southern Illinois University on Friday morning, May 13, will begin a year-long dedication of its five new Southwestern campus buildings, two of which have been in use since last fall.

Kicking off the celebration will be a week of activities beginning with a dedicatory address by Gov. Otto Kerner, campus tours and a barbecue, followed during the week with the Spring Festival which SIU-SW students stage annually.

President Delyte W. Morris has appointed Dr. William J. Tudor, special assistant to SIU's Vice-President for Student and Area Services, Ralph Ruffner, to serve as general chairman of the dedication proceedings.

Cooperating with the university in arranging the ceremonies is Arthur Booker, representing the Illinois Metro-East industrial development organization.

Debut to Participate

The schedule for Friday's 10 a.m.-to-noon program lists music by the SIU symphonic band, with a 10:20 a.m. academic procession followed by posting of the colors by the University Air Force Reserve Officers' Training Corps and the Granite City Army Depot.

After prayer by Rev. John Morris and introductions, talks will be given by President Morris and Gov. Kerner. There will be music by the SIU concert chorale, prayer by Rev. Henry O. Moore and a recessional.

A barbecue and fish fry will be held from noon to 2 p.m., and there will be campus tours from noon to 3 p.m. Friday. Other events will include an alumni board meeting at 2 p.m., a Friends of the Library architectural arts program at 7:30 p.m. and a university chamber orchestra concert at 8:15 p.m.

Events this Saturday, May 14, will include a social sciences division seminar at 11 a.m., humanities division seminar at 1:30 p.m. and a play, "The Glass Menagerie," at 8:15 p.m. at the Alton auditorium.

On Sunday, May 15, an Honors Day convocation is set for 2 p.m. at SIU-SW, with the play repeated in Alton at 2:15 p.m. A senior recital will take place in the Lovejoy Library auditorium at 4:15 p.m. Sunday.

Student Spring Festival

This year's Spring Festival will be held in conjunction with the launching of the campus dedication.

The festival will begin at 2 p.m. Friday with races on the campus loop road, sponsored by Alpha Phi Omega service fraternity. Other events are an activities recognition program and a variety show Friday at 7:30 and 8 p.m. on the campus mall. The public is invited.

On Saturday morning, the student service organizations will work on the recreation area around the campus lake. During the afternoon, the annual faculty-student softball game will be held, followed by volleyball games, sack races and other outdoor sports.

At 4:30 p.m. Saturday there will be boat races, and at 6 p.m. a picnic will be held on the campus mall for faculty, staff and students. A sidewalk dance will follow.

Construction Proceeding

The decision to extend dedication festivities over the next year was made in order that events might coincide with completion of the remaining three buildings in the first construction phase at SIU-SW.

The \$3.5 million John Mason Peck Classroom Building, named for the pioneer educator who founded Rock Spring Seminary, between Lebanon and O'Fallon, first institution of higher learning in Illinois, was opened last fall.

Also opened last September was the \$3.6 million Elijah P. Lovejoy Library, named in honor of the pre-Civil War newspaper editor who was killed in Alton for his abolitionist views, becoming America's first martyr to freedom of the press.

11,000 Enrolled

These two massive academic buildings accommodate 4000 students. The university's Alton and East St. Louis facilities handle the rest of the nearly 7000 students.

The science and communications buildings are scheduled to be ready for use in September 1966, and the University Center in 1967. Plans call for eventual accommodation of 20,000 students on the SIU-SW campus.

Among the unusual features of the buildings are the placement of all stationary elements, such as stairways, restrooms, elevators and mechanical equipment, in towers around the edges of the structures.

Modern, Flexible Design

This leaves interior spaces free, and movable partitions can easily be rearranged to accommodate classes with as few as 12 or as many as 200 students. About 40 classrooms now are in use.

The library has carpeting through most of the building. Research financed by the Ford Foundation at SIU showed this would not only reduce noise but would prove cheaper in the long run and easier to maintain than conventional floor covering.

The library also has the world's largest architectural installation of polarized lighting, a recent development said to be easier on the eyes than fluorescent.

Food Vending Machines

Until the University Center is ready early next year, food service on the campus consists of an elaborate vending machine operation in the library basement. Here students and faculty get a wide variety of hot and cold foods that provide wholesome, well-balanced meals.

More than 170,000 books were moved into the new library last fall, and it is expected that the Lovejoy building will have 500,000 volumes within the next five years.

A complex underground utilities distribution system is in use.

The first portions of what will be a large road system include parking space for 2200 cars. There are two entrances from Highway 157 (formerly Bypass 66).

700,000 Square Feet

Work is nearing completion on the remaining structures. The five buildings in the initial construction phase contain a total of more than 700,000 square feet of floor space.

The communications building has theater and broadcasting facilities, and will include closed-circuit television.

The University Center will include meeting rooms, lounges, a bookstore, recreation areas and a cafeteria.

Other projects, completed or under construction, include a heating and refrigeration plant, an adjoining 88-acre lake serving in lieu of cooling towers for furnishing air-conditioning to all academic facilities, a 500,000-gallon water tower, a 350,000-gallon clear water reservoir and related water supply facilities, a sewage treatment system, extensive services for gas, electricity and telephones and, because of an emphasis on evening instruction, extensive outside lighting.

In Use Eight Months

Though the actual dedication ceremonies are beginning this Friday, an open house for the general public was held Sunday, Oct. 3, 1965. University officials had discouraged visitors prior to that date because rains had delayed construction of parking areas, creating a traffic problem.

Even with parking areas finished, the entire 200-acre academic core remains a "pedestrian campus" where traffic is limited to service and delivery vehicles, some of these using underground ramps. Buildings are grouped around a central mall landscaped and dotted with benches.

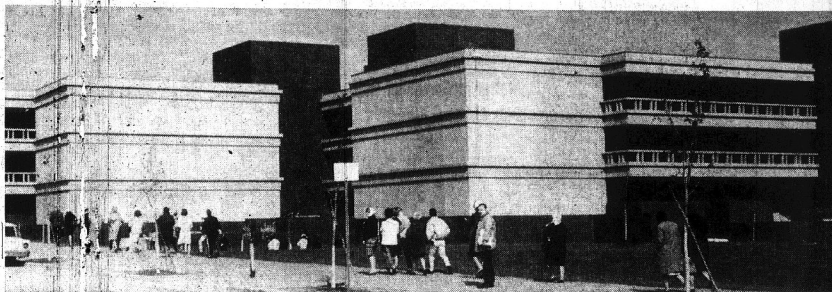

With their exposed rock surfaces and extensive plantings, terraces of the central mall provide an ideal environmental setting, not only for the nearby buildings but for informal gatherings as well.

First classes at the new campus started at 8 a.m. Thursday, Sept. 23, 1965, most of them for upper-classmen and graduate students in the division of business, social sciences, education and humanities.

Although some freshmen and sophomores are enrolled on the new campus, most of them are at East St. Louis and Alton.

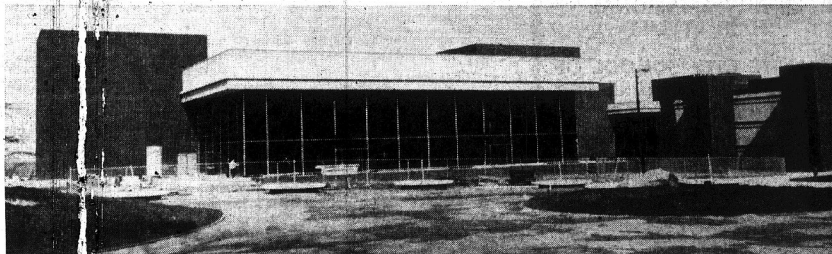

Ten-Year History

The acute need for public college instruction in the populous Madison-St. Clair counties' area first found expression in 1858 with the establishment of the Southwest-ern Illinois Council for Higher Education, composed of representatives of business, labor, public and private schools, civic groups and governing bodies.

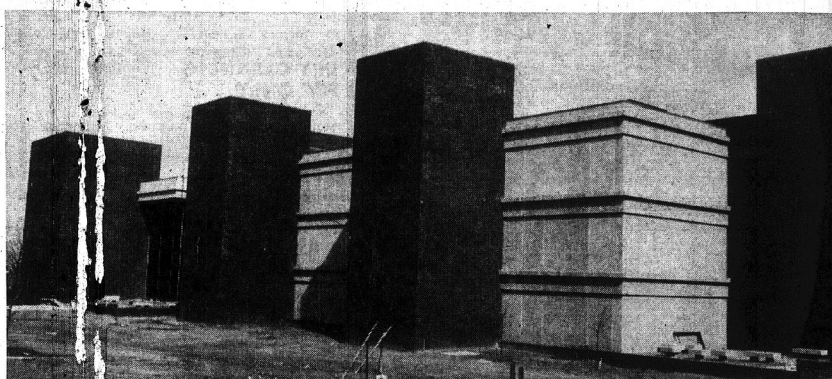

CAMPUS SCENE. Students of Southern Illinois University's campus are shown on their way to classes from parking lot. Year-

long dedication ceremonies will begin there Friday, May 13. The new campus has been in use eight months.

COMMUNICATIONS BUILDING is nearing completion at SIU-SW. It is scheduled to be placed in use this September.

Classroom and library facilities opened last fall accommodate 4000 students on the new campus.

SCIENCE STRUCTURE also due to be ready for SIU-SW students in September 1966. Current enrollment at the new campus

and the East St. Louis and Alton centers totals 11,000. Eventually there will be 20,000 students.

UNIVERSITY STUDENT CENTER will be the last completed of the five buildings included in the initial phase of campus devel-

opment. It is to be opened in January 1967. The academic core presently contains about 200 acres.

The Council engaged Prof. Alonzo F. Myers, of New York University, to conduct a detailed study of the education picture in the two counties.

If a four-year university could be created, Myers reported, it would have an enrollment of at least 8500 to 9000 by 1967—a forecast already exceeded. "He recommended that SIU be selected to fill the higher education gap in this area."

His findings provided the impetus for a campaign to raise funds for purchase of a campus site in the area for use by SIU. Local citizens, along with busi-

ness, labor and civic groups, contributed nearly \$433,000 toward purchase of land. A 2600-acre site was selected, situated in the bluff area northeast of the Quad-Cities and southwest of Edwardsville.

Passage of a statewide Universities Bond Issue in 1960 made \$25 million available for the first stage of construction.

Groundbreaking in 1963

Master plans for the campus were drawn up by the St. Louis firm of Hellmuth, Obata and Kassabaum, with Gyo Obata as the chief designer, and groundbreaking took place in the spring of 1963. The university took its first step

toward a new campus in 1957 by leasing the former Shurtleff College at Alton and the old East St. Louis high school. Area business and industry gave money to help pay the lease for the first two years.

Funds for operation of the two teaching centers were appropriated by the legislature and full-time programs were initiated at both centers, which will continue to be operated by SIU. Degree programs have been offered for the past eight years.

Fall Events Also Planned

While much attention is centering on this weekend's dedicatory

events, there also will be special activities at the start of the fall term and at other times in the next 12 months.

Chairman Tudor has announced that concerts, recitals, art exhibits, workshops, science colloquiums, seminars and other opportunities will be offered area citizens throughout the university's year of dedication.

SIU hopes, Dr. Tudor said, that all those who have a personal stake in the campus—"and they are legion"—will attend all or part of the various dedication ceremonies.

Local Motorist Loses Driving Privilege

The driver's license of Charles T. Howland, 1914 Edwardsville road, Madison, was revoked by the secretary of state's office for reason of driving while intoxicated, it was announced at Springfield on Friday.

The office granted a probationary permit to David E. Woods, Box 38, Rural Route One.

Venice Police Arrest 487 During Past Year

The Venice police department made a total of 487 arrests during the period of April 1, 1965, through March 31 of this year, according to a report filed by Police Chief Frank DeWitt.

DeWitt announced that court cases resulting from the arrests brought the city a total of \$4533 during the 12-month period.

More arrests were made in September than in any other month, with 63 arrests. Cases taken into court that month provided \$520 in fines for the city, but in October, when there were only 38 arrests, resulted in court hearings which netted the city \$790, the largest amount of fines collected in any single month.

Arrests and the amount of fines resulting from cases that went into court included: April 1965, 31 arrests and \$86 in fines; May, 32 arrests and \$570 fines; June, 59 arrests and \$150 fines; July, 56 arrests and \$380 fines; August

45 arrests and \$275 fines; September, 63 arrests and \$520 fines; October, 38 arrests and \$790; November, 48 and \$280; December, 42 and \$497; January, 1966, 21 arrests and \$201; February, 39 and \$265; March, 22 and \$190.

Walter McGarrahan, 74, Dies of Heart Ailment

Walter H. McGarrahan jr., 74, of 2515 Edwards street, died in St. Elizabeth Hospital at 4:30 a.m. Friday. Death was attributed to a heart ailment. He had been ill for two weeks and was a patient in the hospital one day.

He was born in East St. Louis and had been a resident of Granite City for 41 years. He was a retired machinist of General Steel Industries. He was a member of the Machinists Union, Gothic Lodge 852, AF&AM, Almad Shrine, Scottish Rite, and the Consistory.

McGarrahan is survived by a daughter, Mrs. Van (Celestia) Puryear of Granite City, and five grandchildren.

Funeral arrangements are listed in today's obituary column.

Young GOP to Meet

The Granite City Young Republicans will meet Tuesday at 8 p.m. in the Grand Cages Annex to discuss local and national political issues.

Collide in Venice

Two autos were damaged at 3:40 a.m. Saturday in a collision at 16th street, and Broadway in Venice. Police reported the accident occurred when a car driven south on Klein street by Pless May of St. Louis, stopped for the sign at Broadway and was struck from the rear by a car driven by Johnny E. Campbell of East St. Louis.

New Residence Permit

Only one building permit was issued by the city of Madison during April, according to Controller E. J. Miller. The permit was issued to the James Frey Construction Co. of Granite City for construction of a \$12,000 brick veneer residence at 1697 Kennedy drive.

Look who's behind the wheel of a Chevrolet Impala

Why, it's you. Pulling away from your Chevrolet dealer's, let's say, You've got just the model in exactly the color you wanted. (And at such a good price.) You've got those foam-cushioned seats, that Full Coil suspension and solid body by Fisher. (And at such a good price.) You've got the four-speaker stereo radio that you ordered playing softly. (And at such a good price.) It really makes you feel for the people who have no idea of what's going on right now at their Chevrolet dealer's.

Area Traffic Injuries Up Sharply in April

Traffic accidents in the Quad-City area during April increased only by ten over the number of the previous month, but the number of injuries took a sharp upswing.

A total of 204 traffic accidents was reported to authorities in the Quad-City area during the month of April, but 142 persons were injured. There were four fatalities during the month—the same number as in March.

The injury cases increased 53% over the number of persons hurt during March, when 87 persons received injuries in auto mishaps. The 142 injury cases last month also represented a 67% increase over the 85 injuries reported in 197 accidents during

April a year ago. There also were four fatal accidents in the Quad-City area during the month of April.

The total of 142 injuries was a sharp increase over the total of any one of the first three months of this year. In January, for example, there were 203 accidents reported, only one less than the April figure, but 114 persons were injured. In February, 187 accidents occurred in the area, with 97 injuries, and in March there were 184 accidents with 87 injuries.

The April accident toll in the Quad-City area was exceeded during the last 16-month period only by the number of injuries last December, when there were 148 injuries and 12 fatalities.

Venice 1965 License Revenue Was \$14,911

The city of Venice received \$14,911 from the sale of licenses during the fiscal year ended April 30, according to a report to city officials by Comptroller Carl Byrnes.

Byrnes said the city issued 1260 licenses, but of this number, 1021 represented city wheel tags for autos. Sale of the auto tags at \$3 each accounted for \$3063.

The income also included \$4333 in fines collected for violations of city licensing laws. Sale of 15 class A tavern licenses at \$250 each, accounted for \$3750. Two class B tavern licenses at \$250 brought in \$500.

Other license sales during the year were: \$225 from sale of three class C tavern licenses at \$75; \$600 from sale of 60 city truck delivery licenses at \$10; \$1785 from sale of 119 truck licenses at \$15; \$150 from sale of eight beer truck licenses at \$20; \$200 from sale of ten soda truck licenses; \$50 from sale of one advertising license; \$175 from sale of seven peddler licenses at \$25; \$40 from sale of four pool table licenses.

April Meter Income Drops From March; 1966 Total Up

Granite City collected \$3040 in fees and \$603 in fines in parking meter operation during April, according to a report issued by the comptroller's office. The total collection of \$3643 was \$764 higher than that for April a year ago, but \$855 less than the total collection of \$4508 in March.

In April last year, fee collections amounted to \$2736 compared to this year's \$3040, and income from fines was \$143 compared to the \$603 this year.

Last month's fine and fee collection of \$3643 increases to \$14,911 the total amount of fines and fees collected during the first four months of the year. Last March, daily average income was \$100 for 27 days of operation.

Secretaries Elect Mrs. Gieszelman

Officers for 1966-67 were elected by the Tri-Cities Chapter of the National Secretaries Association (International) at a monthly dinner meeting at the Rose Bowl.

Mrs. Helen Gieszelman was a m.e.d. president, succeeding Mrs. Charlotte Vandehey. Other members of the staff will be: Mrs. Betty Davis, vice-president; Miss Jane Davis, treasurer; Mrs. Gerry Hoover, recording secretary; Miss Arlene Noll, corresponding secretary; and two board members at large, Mrs. Marabeth McConnell and Mrs. Velma Zang.

The group was entertained at the business session with two films, "Interior Decorating" and "The New St. Louis."

The installation of officers will take place at the June 2 meeting. Twenty-five were present at Thursday's meeting.

2 Voter Registration Periods Set in Area

Two special registration periods for convenience of qualified voters in the Quad-City area remain to be held by deputy registrars of the office of Miss Eulalia Hotz, Madison County Clerk.

In both instances the special registration periods are scheduled next Saturday.

One of the registration periods will be held in Granite City, where the special registration will be held in the morning from 10 a.m. until 7 p.m. The other will be held in Venice Saturday at the Viola Jones Homes from 1 to 8 p.m. Deadline for registration and changing or correcting existing registrations is May 16.

Voters may register at the special locations, or may make changes of name or other corrections. A series of such special registration periods have been conducted in the Quad-City area for the past three weeks.

Jordan Bound Over to Grand Jury on Robbery

Lucious Jordan, 36, of 810 Jackson street, West Madison, was bound over to the Madison county grand jury on an armed robbery charge during a preliminary hearing in magistrate's court held Thursday.

He is accused of using a knife to rob Vester L. Henry of St. Louis of \$114 early last Monday outside of Garret's tavern in West Madison. Property bond was set at \$10,000 and Jordan was released on his own recognizance by Magistrate Matosian.

Re-Admitted to Hospital

Chester Baker, president of Tri-City Printing Co., was re-admitted to St. Mary's Hospital, Clayton, Thursday for post-surgical treatment. He recently submitted to surgery and is to remain in the hospital for a total of five or six days.

How to Apply for Medical Insurance on Becoming 65

The importance of older persons knowing when to enroll for voluntary Medical Insurance, was stressed today by Ralph Brasher, manager of the East St. Louis Social Security office.

"Are you going to become 65 years old within the next three or four months? If you are, there are some important things you should know about when to enroll for voluntary medical insurance under medicare. The how is important, too, but that is easy enough to find out when the time comes. The when takes a little more thought, because you have to plan it on your calendar so you won't miss any insurance benefits if you need them," Brasher said.

To get started with the program of voluntary medical insurance under medicare, everybody who was 65 or over before Jan. 1, 1966, was given an initial period in which to enroll, beginning Sept. 1, 1965, and ending May 31, 1966.

"From now on we shall be thinking more about the people who are reaching 65, and who will want to sign up for this doctor bill insurance without delay and the risk of losing any of its advantages. No matter when a person becomes 65, there will be a time limit within which he can sign up for medical insurance, just as there was for those who were 65 in 1965 or earlier," Brasher explained.

It will be a generous time limit. Every person who becomes 65 may sign up in the three

months before he reaches 65, during the month in which he reaches 65, or in the three months following. That is a total of seven months. If he misses his first enrollment period he will have to wait until October 1967 to sign up, but he will pay a higher monthly premium and his coverage will not begin until July 1968.

"The best thing for any person to do when he is approaching 65 is to visit his nearest social security office within the 3 months just preceding his 65th birthday. He will receive the information and help he needs in order to apply promptly."

Michael Plantitz Enlists in Air Force

You'll be ringing lots of doorbells anyway.

A person really gets around when he looks for a home on his own. If you enjoy a wide range of choice, it's the ideal way. But if your time is precious, see a Realtor! A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the National Association of Real Estate.

He'll show you the kind of homes you want at the price you can pay.

Look for a Realtor where you see this seal. You'll find he always rings the bell.

PROCLAMATION

WHEREAS hospitals serve in the interest of each person in this community; and

WHEREAS hospitals are staffed by professionally trained personnel who daily provide diagnostic, therapeutic, and rehabilitative services of the highest quality to help maintain the health of our citizens; and

WHEREAS hospitals further serve the community as teaching institutions for a variety of health personnel; and

WHEREAS hospitals offer career opportunities and rewarding life-work to many persons in this community; and

WHEREAS each member of a hospital staff performs a task essential to the recovery of patients or to the safe and efficient operation of the institution;

BE IT RESOLVED that this community, in recognition of National Hospital Week May 8-14, salutes its hospital for its continued progress in health care; for conducting the educational programs that insure a continuing supply of well-trained health personnel; and for providing a growing number of career opportunities for the youth of America.

PAINT UP SPECIAL!

POWERFUL PITTSBURGH PAINTS SALE

This time, do it with the paint that
would rather stretch than peel!

SAVE
\$1.49

a gallon on
Sun-Proof Latex
House Paint

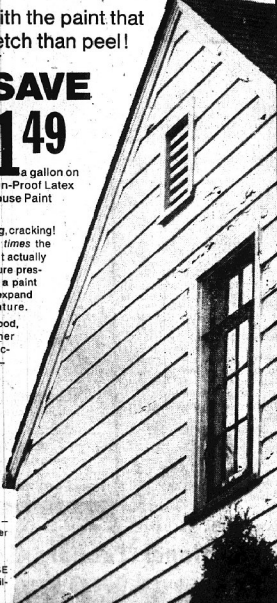

Forget about blistering, peeling, cracking!
Sun-Proof Latex has up to 4 times the
"stretch" of other latex films. It actually
"breathes out" interior moisture pres-
sure that can build up under a paint
film. And it flexes as sidings expand
and contract with temperature.
Recommended for use on wood,
metal, stucco, brick and other
masonry surfaces. Large selection
of fade-resistant colors—now
at a special sale price.

MORE BIG SAVINGS!

SAVE \$1.49 a gallon on

PAINT UP SPECIAL!

POWERFUL PITTSBURGH PAINTS SALE

This time, do it with the paint that would rather stretch than peel!

SAVE \$1.49
a gallon on
Sun-Proof Latex
House Paint

Forget about blistering, peeling, cracking! Sun-Proof Latex has up to 4 times the "stretch" of other latex films. It actually "breathes out" interior moisture pressure that can build up under a paint film. And it flexes as sidings expand and contract with temperature.

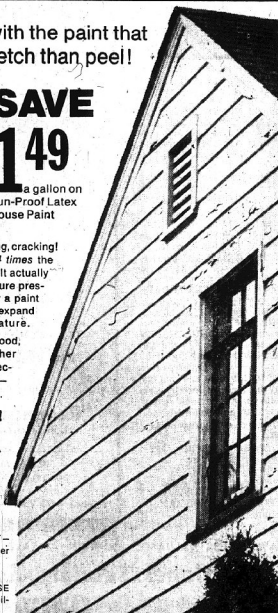

Recommended for use on wood, metal, stucco, brick and other masonry surfaces. Large selection of fade-resistant colors—now at a special sale price.

MORE BIG SAVINGS!

SAVE \$1.49 a gallon on CEMENTITHIDE MASONRY PAINT—for cement block, stucco or other masonry.

SAVE \$1.49 a gallon on SUN-PROOF OIL-BASE HOUSE PAINT—a wonderful buy in an oil-base paint.
